

DELTA DENTAL PPOSM : YOUR SMILE IS COVERED

GO PPO

Visit a PPO¹ dentist to maximize your savings.² These dentists have agreed to reduced fees, and you won't get charged more than your expected share of the bill.³ Find a PPO dentist at deltadentalins.com.⁴

ACCESS ONLINE SERVICES

Get information about your plan anytime, anywhere by signing up for an Online Services account at deltadentalins.com. This free service lets you check benefits and eligibility information, find a network dentist and more.

CHECK IN WITH EASE

You don't need a Delta Dental ID card when you visit the dentist. Just provide your name, birth date and enrollee ID or social security number. If your family members are covered

under your plan, they will need your name, birth date and enrollee or social security number. Prefer to take a paper or electronic ID card with you? Simply sign in to Online Services, where you can view or print your card with the click of a button. If you're covered under two plans, ask your dental office to include information about both plans with your claim, and we'll handle the rest.

UNDERSTAND TRANSITION OF CARE

Did you start on a dental treatment plan before your PPO coverage kicked in? Multi-stage procedures are only covered under your current plan if treatment began after your plan's effective date of coverage.⁵ You can find this date by logging in to Online Services.

¹ In Texas, Delta Dental Insurance Company offers a Dental Provider Organization (DPO) plan.

² You can still visit any licensed dentist, but your out-of-pocket costs may be higher if you choose a non-PPO dentist. Network dentists are paid contracted fees.

³ You are responsible for any applicable deductibles, coinsurance, amounts over plan maximums and charges for non-covered services.

⁴ Verify that your dentist is a PPO dentist before each appointment.

⁵ Applies only to procedures covered under your plan. If you began treatment prior to your effective date of coverage, you or your prior carrier are responsible for any costs. Group- and state-specific exceptions may apply. Enrollees currently undergoing active orthodontic treatment may be eligible to continue treatment under Delta Dental PPO. Review your Evidence of Coverage, Summary Plan Description or Group Dental Service Contract for specific details about your plan.
