

SCHEDULE OF BENEFITS

Benefits provided by SafeGuard Health Plans, Inc., a MetLife company

Direct Referral Dental Plan*

METCO6C

This SCHEDULE OF BENEFITS lists the Covered Services available to You and Your Dependents under Your dental plan, as well as Your and Your Dependent's costs for each Covered Service. Your and Your Dependent's costs may include Co-Payments, or a percentage of the Maximum Allowed Charge for a Covered Service.

*Care under this plan is provided through a network of Selected General Dentists. Your Selected General Dentist is responsible for determining when the services of a Specialty Care Dentist are needed, and facilitating any necessary referral. If a Specialty Care Dentist is required, You and Your Dependents will be advised of the name, address and telephone number of the Specialty Care Dentist in Your or Your Dependent's Service Area. Your cost for Specialty Care may be higher for a Covered Service than if that Covered Service was provided by Your Selected General Dentist.

Your and Your Dependent's costs for Covered Services provided are calculated using a regional average for the geographic area in which the Covered Services are provided. This may result in a different fee being charged to You based on the geographic area where the Covered Services are provided and may result in a different fee being paid by SafeGuard to Your provider.

Missed Appointments: If You or Your Dependents need to cancel or reschedule an appointment, please notify the Selected General Dental Office as far in advance as possible. This will allow the Selected General Dental Office to accommodate another person in need of attention. If You or Your Dependents fail to do this in a timely fashion, You or Your Dependents may be charged a missed appointment fee.
