Each plan may require you to follow its rules or use specific doctors and hospitals, and it may be impossible to comply with both plans at the same time. Before you enroll in this plan, read all of the rules very carefully and compare them with the rules of any other plan that covers you or your family.

<sup>1</sup> All lens options are available at participating private practice provider offices, and not to exceed copays and pricing are subject to change without notice. Please check with your provider for details and copays applicable to your lens choice. At this time, all lens options and "not to exceed" copays and pricing are not available at Costco. Please contact your local Costco to confirm the availability of lens options and pricing prior to receiving services.
